

CAPABILITY NARRATIVE

Lucky's Concrete Services LLC is a concrete flatwork subcontractor serving cities, agencies, and the general contractors and paving primes who serve them. We self-perform sidewalks, ADA curb ramps, curb and gutter, parking-lot and street panel replacement, pads and loading docks, and utility-cut restoration, with in-house crews across six states. We price to your bid items, build to the owner's standard details, report progress by location, and hand off inspection-ready.

CORE COMPETENCIES

- Sidewalks & ADA curb ramps
- Curb & gutter
- Street & parking-lot panel replacement
- Pads, loading docks & aprons
- Utility-cut restoration
- Bollards & wheel stops
- Demolition & removal
- Expansion joints & jointing

DIFFERENTIATORS

- One accountable company, with a Lucky's crew lead on every job.
- Priced to your bid items and reconciled at pay application.
- Progress and quantities reported by site or location.
- Managed crews that travel across a six-state footprint.
- Inspection-ready closeout with lien waivers on file.

PAST PERFORMANCE

U.S. Postal Service facility LEANDER, TX · 2024

Parking-lot panel replacement as the concrete subcontractor to the prime. Federal-facility past performance.
